A MESSAGE FROM OUR DIRECTOR OF ASSISTED LIVING

My name is Annelie Demasco, and I am the new Director of Assisted Living here at Collwood Terrace Stellar Care. Prior to coming to Collwood Terrace, I worked at another facility with Susan, our Director of Marketing. I served as the Director of Assisted Living for 10 years at this facility. I also was a regional manager for a long term care pharmacy. I have been working with seniors for over ten years and I truly love it! I have been happily married for 10 years to a wonderful husband, Edgar. I do not have children, but would like to have them in the future!

My role here at Collwood Terrace is to supervise and manage the Resident Care and Medication programs. As your new Director of Assisted Living, my goal is to ensure that each and every resident receives the highest level, of quality, compassion and "stellar care".

I enjoy my job because I get to make a difference and I am overjoyed by the wonderful resident's we have in this facility. I am very grateful to be part of the Collwood Terrace Stellar Care family.

If you ever have any questions, or need anything, please do not hesitate to contact me.

Staff Spotlight

Sarita Sanchez is one of our stellar caregivers here at Collwood Terrace. She has served our community now since February of this year but brings 8 years of experience in caregiving with her. She has already made a positive impression on the residents, as well as her co-workers. She was recently made a shift supervisor for her hard work. If you have noticed the residents looking a little spiffier, it's because Sarita has taken the initiative to set and style our resident's hair on the days she is here.

Sarita is the proud mother of a 5 year old son who attends kindergarten at Rosa Parks Elementary. Sarita lives in the neighborhood with her son and husband of one year. She was happy to find employment close to home. Sarita enjoys cooking for her friends and family and is an excellent cook. We will be working with her to make one of her famous Mexican dishes to share with her friends here at Collwood Terrace. In addition to cooking, she loves to roller skate in her spare time. However, Sarita will have to put roller skating off for at least another six months as she is due to have her second child early November! Congratulations Sarita!

Housekeeping News

Roxanne Miller is the new Director of Housekeeping. She comes to us, returning to San Diego, after a 2 year stay in Texas. She has already implemented many positive changes and continues to strive to make Collwood Terrace Stellar Care a healthy and safe environment for our residents.

To ensure that our residents receive all of their clothing when sent to the laundry room, Roxanne is asking that families make sure their loved ones clothing is labeled with his/her name printed in permanent marker.

In addition to laundry services, please note that a new laundry and housekeeping schedule has been made to provide better service to our residents. Housekeeping and laundry will be done once a week. If you feel more service is needed please let our staff know. This would also be a good time for family members to make sure there is an adequate supply of clothing to last until the next laundry day.

Activity Update

Please make note of the planned activities as seen in this months Activities Calendar. We invite you to attend any of our planned activities as well as join us in our weekly outings every Thursday. Every Wednesday, we are planning to have a cooking demonstration where residents, and family members will get to sample the goodies after each cooking demo. Please join us for any activity scheduled.

The History Lady

We are pleased to announce that "The History Lady" Jeanette Alessio-Way will be coming to Collwood Terrace! She illuminates the past, as well as commands a wealth of historic facts and anecdotes, delivered in a warm and congenial style. Please join us on for this exciting event, Wednesday May 28th from 6:30 -7:30

Resident Rave

Joesph "Joe" Angelo Nonzeta was born on October 16th right here in San Diego. He was one of nine children, five sisters and three brothers. His dad was directly from Italy and was a stone mason most of his life. During the war his mom worked at Rohr Industries in Chula Vista; she returned to her previous home after WWII was over.

Joe has lived in San Diego his whole life and worked for the Navy Public Works section. Joe loves to draw, color, and play bingo. Joe also collects anything Marilyn Monroe and Betty Boop. Joe also collect clocks, he used to make clocks to give away as gifts. Joe can always be found walking around the facility making everyone smile and laugh!!!
